

HOUSE RESOLUTION No. ____

Introduced by: Crouch

A HOUSE RESOLUTION urging the legislative council to create a study committee to consider whether or not changes should be made to Indiana's Presidential primary process.

Whereas, The current structure for Presidential primaries/caucuses allows for only a small sample of the U.S. population to have a voice in who will be selected as the next President of the United States;

Whereas, By the time Indiana's May primary arrives, the Presidential candidates representing each national political party have, in most cases, already been selected;

Whereas, Study is warranted to determine the feasibility as well as the benefits and ramifications of moving Indiana's primary to an earlier date during Presidential election years: Therefore,

Be it resolved by the House of Representatives of the
General Assembly of the State of Indiana:

SECTION 1. That the legislative council is urged to create a study

committee to consider whether or not changes should be made to Indiana's Presidential primary process.
